WHY DELZENO

Why businesses deliver with us

Live in 18 states
One delivery partner across major U.S. markets, from California and Texas to New York and Florida.

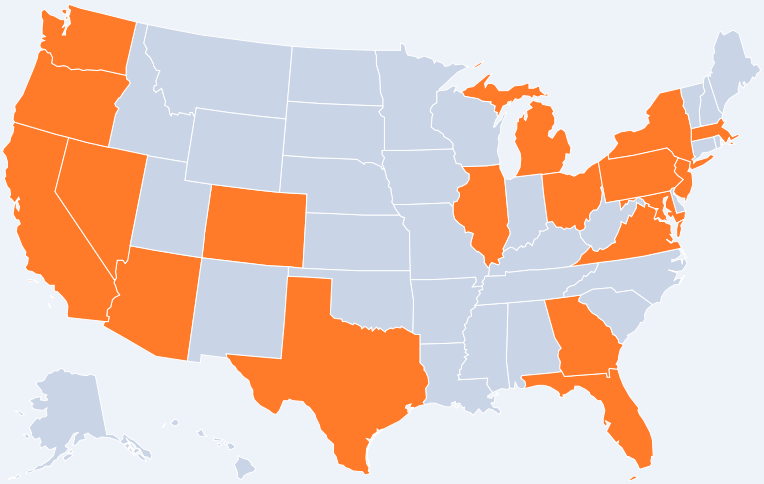

Vetted delivery partners
Every partner passes a background check and carries valid vehicle insurance before their first delivery.

On-demand or scheduled
Book a single same-day run or set up recurring, time-windowed routes your team can plan around.

Careful with every order
Catering trays, grocery bags and retail packages handled by people who know the order matters.

Capacity that flexes
Delivery capacity that scales with daily demand, seasonal peaks and new locations.

A team that picks up
Talk to a real person by phone or email, before you sign up and after you launch.
